Kolping Convent Hr. Sec. School | March 2017
Higher Secondary (10th MP Board) (Percentage: 80%)

Experience

IT Gurus Software | June 2022 – November 2023
Software Developer | *Pune, Maharashtra*

- **Enhanced Data Presentation:** Designed and implemented intuitive and visually appealing dashboards for employee attendance records, leveraging HTML5, CSS3, and JavaScript to improve data accessibility and presentation
- **Streamlined Process Tracking:** Developed a request timeline feature with detailed reasons and status updates, providing a comprehensive overview of HR processes and improving transparency and efficiency.
- **Maintenance and Bug Fixes:** Conducted regular maintenance and implemented bug fixes, ensuring platform stability and reliability, which led to a 25% decrease in reported issues and improved user satisfaction

Projects

Myntra Clone | *HTML, CSS, JavaScript*

- Developed a responsive e-commerce website clone of Myntra using HTML, CSS, and JavaScript.
- Utilized static JSON data to display product cards and details.
- Implemented dynamic content features such as product filters, search functionality, and a shopping cart system.
- Designed an intuitive user interface with a mobile-first approach, ensuring cross-browser compatibility and seamless user experience.

Technical Skills

Languages: HTML5, CSS3, JavaScript, ES6
Technologies: React.js, Node.js
Concepts: Git, Responsive Design, Cross-Browser Compatibility, Web Accessibility, Testing and Debugging

Achievements

- Elected Head Girl, leading student council initiatives, organizing key school events, and representing the student body in administrative meetings.
